RE: House Joint Resolution No. 1 Resolution Proposing A State Constitutional Amendment To Protect The Resources of The Special Transportation Fund

My name is Henry E Suzio and I am the Vice President of The L Suzio York Hill Companies. Our business is headquartered in Meriden and employs 98 Connecticut workers.

I support this Resolution that would establish the Special Transportation Fund as a perpetual fund and ensure that revenues deposited into said fund would be used solely for transportation purposes.

Passage of this Joint Resolution is key to the state's ability to deliver much needed improvements across all modes of transportation. It lays a solid foundation for much needed transportation investments.

Thank you for this opportunity to voice my opinion on this important issue. If you have questions or would like to discuss this in more detail, please contact me at hesuzio@suzioyorkhill.com.

Respectfully,

Henry E. Suzio

V. President
