

Dear Senators:

I am writing to express my opposition to House Bill 7051, concerning AN ACT IMPLEMENTING THE GOVERNOR'S BUDGET RECOMMENDATIONS FOR GENERAL GOVERNMENT and deeming CEQ obsolete. This move would render any type of environmental protection we have in CT mute, and I do not want MY Connecticut unprotected from the industries that do not care if they destroy it. 996AA - BOTTLE DEPOSIT NOT IN FAVOR - why change a good thing?

My family & I are in favor of HB 7247, HB6329, HB 5618

Thank you so much for your time & consideration, Elaine & Ralph McKinney
