

I support HB 6329 AN ACT CONCERNING HYDRAULIC FRACTURING WASTE IN CONNECTICUT from JoAnne Bauer, Hartford

As a former Chair of Hartford's Advisory Commission on the Environment (ACOTE) and a longtime activist for environmental justice, I write to support and urge you to support **permanently banning hydraulic fracturing waste for gas.**

Also, please strengthen the bill by including language to **ban all waste from both oil & gas drilling and extraction.**

Sincerely,

JoAnne Bauer
