

To the Environment Committee of the Connecticut General Assembly on House Bill 6329

My name is Sandra Olsen. I am a resident of Haddam Neck, CT. I am writing in support of HB 6329,

AN ACT CONCERNING HYDRAULIC FRACTURING WASTE IN CONNECTICUT,

To permanently prohibit the storage, disposal, handling and use of hydraulic fracturing waste in Connecticut.

I thank the Committee for their important work in starting the conversation on keeping these toxic wastes out of our state.

Sincerely,

A concerned and voting citizen,

Sandra Olsen
