

To the Environment Committee of the Connecticut General Assembly on Bill 6327.

My name is Anne Vaughan, and I'm a resident of Andover, CT.

I support HB 6329 AN ACT CONCERNING HYDRAULIC FRACTURING WASTE IN CONNECTICUT

The Town of Andover, along with several other towns, has enacted its own ban on Hydraulic Fracturing Waste, and I would like to see that expanded to the whole state. There are numerous dangerous and sometimes radioactive materials in this waste. This presents a health hazard to the residents of our state.

Sincerely,

Anne Vaughan
