

I'm a constituent from Milford and I urge support for both HB 6575 "An Act Concerning Disclosure of Presidential Candidates' Federal Tax Returns" and HB 5434 "An Act Adopting the Interstate Compact to Elect the President of the United States by National Popular Vote."

It's critical that we ensure the leader of our country does not have any conflicts of interest.

It is also time that we treat every individual vote equally in this country. Never again should we allow millions of votes to be effectively thrown away because they happen to be from one state vs another.

Thank you,
