

Hello,

I am writing this e-mail in strong support of two bills.

The first is HB 6575 - An Act Concerning Disclosure of Presidential Candidates' Federal Tax Returns

Now, more than ever, transparency is essential. The atmosphere of deceit and lies is unsustainable as a nation. CT must step up to lead the way.

The second is HB 5434 - An Act Adopting the Interstate Compact to Elect the President of the United States by National Popular Vote

We are now an integrated society and the will of the people must be represented.

Thank you for your time,
Mendy Clouse
