

HB 5434

Dear CT State Legislators,

Please vote in favor of the National Popular Vote bill in CT. Having lived my entire life in the deep blue Northeast, I'm tired of being ignored by Presidential election campaigns. Additionally, when we get a result where the winner of the electoral college does not win the popular vote and 1/2 the country has a bad taste in their mouth, we all lose.

Sincerely,

Paul Honig
