

I am writing to voice my opposition to HB 6575, An Act Concerning Disclosure of Presidential Candidates' Federal Tax Returns

Not placing a candidate on the ballot because of lack of tax returns is childish and an obvious attempt to prevent re-electing President Trump. It lacks any real value and should not be a topic that our state wastes time on

I also OPPOSE HB 5434, "An Act Adopting the Interstate Compact to Elect the President of the United States by National Popular Vote.

The electoral college was setup up by our founding fathers for good reason, so that large states would not be the sole decision makers in the Presidential Elections. Again, this is a waste of time and goes against our constitution.

Please OPPOSE both of these bills.

Thank you,
