

Senate bill SB9 and House bill HB5434

I urge you to support legislation (S9/HB5434) to elect the President by a popular vote of the people in all 50 states. Connecticut gets ignored under the present Electoral College system. This kind of legislation has been passed in a number of states already.

Candidates for president never pay attention to issues here in Connecticut. Everything revolves around winning a few swing states, like Ohio or Florida. We should elect the president by a popular vote of the people in the entire country. The Popular Vote proposal would guarantee the Presidency to the candidate who receives the most popular votes in the entire United States.

Let's make EVERY vote count!!

Thank you,
