Dear Members of the labor committee and all PEOPLE . My name is Mike g Papa from Stamford ct . I support equal pay for equal work regardless of gender . As leaders of this free world it is imperative to start here at 🏠 home to practice what we preach . Everyone is well aware that there is way too much POVERTY and lack of justice in this century around the world .. A positive change in this regard will assure improved quality of life here at home , and will definitively deliver a STRONG message that this state and country it ((is sincere ))on what we preach , and ready for business with all people of good will in this spinning planet . Sincerely. Mike g Papa. 203-252-1954
