Dear CT Congress,

I fully support Kim Rose's HB 5591. It's time we narrowed, even better, eliminated the income gap between men and women. It is a well known fact that women, who are the ones most likely to take leave from jobs, earn less in their lifetimes and thus find it more difficult than men to have enough money to retire on. The fact that they make less as compared to men exacerbates this problem. HB 5591 would help correct this inequity.

Thank you,
