Regarding HB 6663: An Act Concerning Police Misconduct

Dear Committee Members,

I am writing to express my strong support for Regarding HB 6663: An Act Concerning Police Misconduct.

As we have seen all too many times over these past few years in towns and cities across America, the increasing use of excessive force by police has too often led to unnecessary deaths, a tragedy for communities and for law enforcement, as it breaks public faith in our true blue force precisely when we need to know that our officers (who are our neighbors, our family, our friends) are there for all of us, to protect and serve as their duty calls.

Therefore, to prevent further trauma to our fellow citizens and to restore public confidence in our men and women in uniform, I urge the committee to support HB 6663.

Sincerely,

Vincent Cangiano
