

POLICE OFFICERS ASSOCIATION OF CT

Representing 1,200 police officers in 22 municipal police unions across Connecticut

LABOR & PUBLIC EMPLOYEES COMMITTEE
FEBRUARY 21, 2017

PLEASE OPPOSE –

Proposed House Bill 6663 – AN ACT CONCERNING POLICE MISCONDUCT.

This very broad proposal seems to indicate that state and municipal police officers lose all of their due process rights and legal rights in any situation where “excessive force” is used. The bill suggests “immediate suspension” and “automatic termination.”

We strongly **OPPOSE** this proposal.
