To: Committee on Public Health

Subject: Consolidation of Local Health Departments

As a member of the Milford Board of Health and a Milford resident, I strongly support the proposed health bills that prohibit the Department of Public Health from requiring the consolidation of district departments of health and municipal health departments as follows:

H.B. No. 5757 submitted by REP. Pam Staneski, 119th District

H.B. No. 5169 submitted by REP. Holly H. Chessman, 37th District

H.B. No. 5765 submitted by REP. Carpino, 32nd District & SEN. Doyle, 9th District

H.B. No. 6011 and No. 6488 submitted by REP. John Fusco, 81st District

H.B. No. 6033 submitted by REP. Delnicki, 14th District

Thank you for your thoughtful consideration,

Joan Cagginello, MS, RN  
Board Member, Milford Board of Health
