To Whom It May Concern,

I am writing in support of HB 7221. This is a no-brainer to me. Water utility companies are not the military and should not be keeping anything secret about where and how much water they distribute. Please pass Bill 7221 so that the public can have access to the data needed for water planning

I urge you to support and pass this bill.

Thank you for your consideration.

Sincerely,

Laurie Gorham
