Dear Members of the Public Safety and Security Committee of the Connecticut General Assembly:

My name is Lori Suzik and I am a 32 year resident of East Windsor CT. I am a member of the Coalition Against Casino Expansion in Connecticut. I am writing to oppose S.B. 957: an Act Concerning the Regulation of Gaming and the Authorization of a Casino Gaming Facility in The State of Connecticut .I also oppose H.B. 7239 An Act Providing for the Regulation of Gaming to Protect Public Safety and a Competitive Process to Issue a Gaming License. I am especially opposed to a casino in East Windsor Ct. where I live. I feel it will negatively impact the rural charm of our town, prey on the poor and those vulnerable to gambling addiction. The social repercussions on families will be huge. The casino's proposed location is very close to East Windsor High School, exposing our young people to the problems associated with gambling. I am also opposed to the potential increased crime and traffic in our town. I do not believe any financial gain is worth the negative costs. I am also unhappy with the lack of transparency from the East Windsor Town Officials. I strongly feel the people of East Windsor should have a vote in this very important decision. Town officials refuse to hold a referendum. Thank you for considering my testimony.

Sincerely,

Lori Suzik,
