SB 263 AN ACT CONCERNING MUNICIPAL APPROVAL OF CHANGES TO RAIL SERVICE

To the members of the Transportation Committee:

On behalf of the Old Saybrook Chamber of Commerce Board of Directors,
I urge you to support SB 263.

State funding should not be expended on any changes to community rail service unless the municipality impacted by such change holds a referendum to approve such change.

Citizens need a voice – particularly on a project that has the potential to have a devastating impact on the community.

We support the excellent work of Representative Carney, Senators Formica and Linares in representing our communities and we urge the Transportation Committee to support SB 263.

Thank you,

Judy Sullivan
Executive Director
