> My husband and I were impacted by this dispute. My husband has been under a HH doctor's care for cancer. This whole dispute has been a nightmare for many patients.

> My question to you is that we select and pay for our insurance to begin in January and expect it to continue through the year. Why then were we not covered beginning on October 1st of this year. We were and/or would have been shortchanged by 3 mos. unless we changed doctors and facilities.
