(As Amended by Senate Amendment Schedule "A")

"AN ACT CONCERNING ZERO CARBON PROCUREMENT."

1 After the last section, add the following and renumber sections and
2 internal references accordingly:

3 "Sec. 501. (NEW) (*Effective from passage*) If, pursuant to section 1 of
4 this act, the Commissioner of Energy and Environmental Protection
5 determines that changes to standard offer procurement processes or a
6 solicitation for baseload zero-carbon electricity generating resources is
7 in the best interest of ratepayers, any eligible nuclear power generating
8 facility that enters into an agreement with the electric distribution
9 companies pursuant to section 1 of this act shall surrender such
10 nuclear power generating facility's market-based rate authority at the
11 Federal Energy Regulatory Commission in favor of cost-of-service rate
12 recovery upon the Public Utilities Regulatory Authority's approval of
13 such agreement."

This act shall take effect as follows and shall amend the following sections:		
Sec. 501	<i>from passage</i>	New section
