**Testimony regarding Proposed H.B. 5592-**

**AN ACT CONCERNING INCENTIVES FOR MUNICIPAL REVITALIZATION PROJECTS.**

CCAPA supports the intent of the proposed bill to support municipal actions that will revitalize communities. We look forward to seeing additional details about the proposed program.

As these details are developed, we strongly encourage the Committee to consider calling on CCAPA as an expert, non-partisan resource that stands ready to contribute to the mission of increasing the livability, accessibility, vibrancy, and success of Connecticut's towns and cities.

**WHO WE ARE**

The Connecticut Chapter of the American Planning Association (CCAPA) has over 420 members who are governmental and consulting planners, land use attorneys, citizen planners, and other professionals engaged in planning and managing land use, economic development, housing, transportation, and conservation for local, regional, and State governments, private businesses and other entities. CCAPA has long been committed to assisting the legislature and State agencies with developing and furthering responsible growth management principles. The American Planning Association is an independent, not-for-profit, national educational organization that provides leadership in the development of vital communities.
