Subject: No on tolls in CT

To whom it may concern:

I travel throughout CT for the following

Charities:

ALA-American Legion Auxiliary

GFWC-General Federated Women's Clubs of CT CDA-Catholic Daughters of the Americas Tolls would add to the burden of administrative costs that are necessary to function within these Organizations!

Any extra funds should be for the

Charities, not to the CT DOT!

CT has a reputation of bad management!

The above organizations are each 100 plus years of service to the needy!

They have existed by unpaid people who value their time and give it with passion and purpose!

CT is going bankrupt!

CT's Reps/Senators/Governor must begin NOW to function within the budget!!!

STOP burdening the tax payers!

Sincerely,

Linda Louise LaCasse♥️🇺🇸
