

Connecticut residents are already taxed enough as it is, yet there are several bill proposals which will add another tax in the form of Connecticut tolls.:

- [S.B. 560 AN ACT INSTITUTING ELECTRONIC TOLLS ON CONNECTICUT'S HIGHWAYS](#)
- [S.B. 751 AN ACT ESTABLISHING ELECTRONIC TOLLS ON CONNECTICUT'S HIGHWAYS USING A CONGESTION PRICING SYSTEM](#)
- [H.B. 6058 AN ACT CONCERNING ELECTRONIC TOLLS](#)
- [H.B. 6045 AN ACT INSTITUTING CONGESTION VARIABLE PRICING LANES ON INTERSTATE HIGHWAYS](#)
- [H.B. 5458 AN ACT ESTABLISHING ELECTRONIC TOLLS ON CONNECTICUT'S HIGHWAYS](#)

No matter what you call it , it is another tax on working people who must drive Connecticut's roadways to get to work. My husband has been a small business owner and employer for almost 30 years and must drive 100 miles a day. There is no public transportation that he could use.

This is one more way the state government is forcing businesses out of the state and creating hardships for those who are trying to maintain jobs for others.
