Subject: Tolls

Please stop increasing taxes and start cutting programs. Stop any support for illegal aliens of any kind. Vote no for Tolls. Vote no for bills 560, 751 and 6058, and no for the fiasco AGSTEM construction in District 12. The State can't afford to have a \$10,000,000 riding rink for a handful of 13 year old girls riding their ponies.
