Subject: No to Tolls

To All Committee Members,

Please do not reinstate tolls on our Connecticut highways. As a member of a community that borders New York and who removes when Connecticut had tolls, it created havoc on our town roads as many cut through town to avoid paying them. This is also another tax of which we pay plenty. There is no reason to impose tolls on our roads. We should be looking to other ways to save and fund our infrastructure needs. Tolls are not the answer!

Say no to tolls!
