Subject: taxed enough

Importance: High

I am writing to express my disapproval of any possible tolls on CT highways! We are taxed enough; and have too many mandates, including ObamaCare. In the past 3 years, my CT health insurance premiums for my family (wife and 3 children) have gone from just under \$700 to over \$1400 with a \$12K deductible! How is that affordable? And now CT wants to start taxing us via tolls? The madness has got to stop!

Please vote "no" on Bill 560, Bill 751, and Bill 6058! Indulgent spending must be curbed; and we should not be over-taxed!
