Members of the Transportation Committee in Ct,

Hello, I live in New York and work as a registered nurse at Danbury Hospital in Danbury, Ct. I take route 84 to cross into Ct. from NY every work day, and then vice versa back home. PLEASE oppose all bills, votes, etc that would put tolls on Ct highways. This would negatively affect me / us money-wise (stretching our salaries even more), traffic in the border town would increase, most likely increasing my commute time, etc. I strongly feel that the Ct state budget needs to be adjusted before you start to ask for more money from the taxpayers. Also, there are people I know that make far less money than I do and this will be a HUGE hardship for them. OPPOSE this please !!!!! Thank you for reading this and listening to what I have to say.
