**Subject:** Opposing Tolling Bills S.B. 560, S.B. 751, H.B. 6058, H.B. 6045, H.B. 5458

Hello,

I'm writing to express my opposition to the tolling legislation (Bills S.B. 560, S.B. 751, H.B. 6058, H.B. 6045, H.B. 5458) that was proposed yesterday at the General Assembly's Transportation committee.

As a resident of Danbury, even as someone self-employed who mostly works from home, I am constantly crossing the border between CT and NY to visit family, run errands, and see clients. The added expense of these tolls would be terrible for me and my family, and I just can't believe that there isn't a better solution that doesn't put an undue burden on those of us who live in the border towns.

Please, don't move forward with these bills, and instead find another solution to bolster the state budget.

I know that no one likes taxes raised, but I'd rather join all of CT and chip in a little than feel punished just because I happen to live at the edge of the state.

Thank you for your time,

Raven Magill
