To Whom It May Concern,

This discussion of putting toll plazas on the Interstates coming into Connecticut is of great concern.

I have been a Danbury resident for 17 years and live within 1 mile of the NY border. I moved here after being a NYC and NYS resident for the previous 50 years. I moved here for the quality of life, the quiet, the privacy and somewhat lower taxes. Unfortunately, the taxes keep rising and my quality of life is being threatened. The street I am on, Joe's Hill Road, would be the route that anyone with a GPS(everyone!) would take if tolls were implemented on I-84. Our 2 lane road would become a major thoroughfare.

There must be a better solution to balance the budget.

Thanks for reading.
