sSB 327

AN ACT CONCERNING LICENSE RENEWAL REQUIREMENTS FOR CERTIFIED PUBLIC ACCOUNTANTS.

SUMMARY

This bill establishes continuing professional education reciprocity for certified public accountants (CPAs) whose principal place of business is not in Connecticut.

Current law requires all CPAs seeking license renewal to show that they completed 40 hours of continuing education per year since the last renewal or issuance. Under the bill, out-of-state CPAs qualify for Connecticut license renewal if they certify in writing that they completed the continuing education requirements applicable in the state serving as their principal place of business.
