Testimony about Bill No. SB359

Dear Education Committee:

My name is Janet Fan. I am a fourth grade student at Beecher Road Elementary School. I am writing to express my opinion about bill No. SB359 "Prohibiting the Disaggregation of Student Data by Ethnic or Racial Subgroups in the Public School Information System".

I believe no students, like me, should be marked separately by our ancestry, or ethnicity origin.

I support the original bill wording because we don’t want to go to school in a place that judges students by where their family came from or their ethnicity.

Please modify the bill language as to "No population of students shall be subject to data collection of ancestry nation of origin and ethnicity origin". Please vote for bill SB359.

Sincerely,

Janet Fan
