Honorable Members of Education Committee:

My name is Yun Huang, a resident of East Lyme, CT. I am writing to testify in regard of bill No. SB359 “Prohibiting the Disaggregation of Student Data by Ethnic or Racial Subgroups in the Public School Information System”.

I support the original concept of “prohibiting educational institutions or other state agencies from mandatory collection and separation of data from students by subpopulations of national origin or ethnicity”. However, we are very concerned in regard of this portion of the current bill language “unless … collected uniformly across the entire population of students”. I believe the entire population shall not be subject to registry of ancestry immigration nation of origin or ethnicity origin.

Your vote for bill No. SB359 would be greatly supported and appreciated!

Sincerely,

Yun Huang
