Honorable Members of Education Committee:

My name is Yuyi Jin, a resident of Westport, CT. Secretary General, Better Chinatown USA. Secretary General, The Chinese Cheongsam Association USA. Art director of the world foundation of Chinese culture and art. CEO of Golden Autumn Investor LLC

I am writing to testify in regard of bill No. SB359 “Prohibiting the Disaggregation of Student Data by Ethnic or Racial Subgroups in the Public School Information System”.

I support the original concept of “prohibiting educational institutions or other state agencies from mandatory collection and separation of data by subpopulations of national origin or ethnicity”. However, we are very concerned in regard of this portion of the current bill language “unless … collected uniformly across the entire population of students”. I believe the entire population shall not be subject to registry of ancestry immigration nation of origin or ethnicity origin.

Please modify the bill language as to “No population of students shall be subject to data collection of ancestry nation of origin and ethnicity origin”. Please vote for bill SB359.

Thanks!

Sincerely yours,

Yuyi Jin
