AN ACT CONCERNING CHANGES TO THE STATE PERSONNEL ACT.

As Amended by House "A" (LCO 5002)

House Calendar No.: 163

Senate Calendar No.: 512

OFA Fiscal Note

The bill makes technical alterations to the state personnel act that will not result in a fiscal impact. It shortens deadlines related to open classified service position notifications from two weeks to six business days and gives the Department of Administrative Services the flexibility to either put said notification on either a bulletin board or their website.

House "A" altered the deadline to six business days which does not result in a fiscal impact.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
