AN ACT CONCERNING ACCEPTANCE OF INSTITUTIONAL ACCREDITATION OF PRIVATE OCCUPATIONAL SCHOOLS BY THE OFFICE OF HIGHER EDUCATION.

OFA Fiscal Note

State Impact: None
Municipal Impact: None

Explanation

The bill does not result in a fiscal impact as it makes procedural changes requiring any initial certification application that the Office of Higher Education (OHE) receives from a private occupational school to expire if it remains incomplete six months after submittal. Additionally, the bill gives OHE greater discretion to accept or reject the accreditation of private occupational schools under certain circumstances.
