

I am writing you today to urge you to pass HB 5421 this year. In a poll taken by over 1,000 Connecticut voters, 78% support the NPV. This is not a partisan issue. Members of both parties want to feel they have a voice in electing our leaders. We want to eliminate the archaic electoral college. Currently, in Connecticut , our vote for president of the United States does not count. How can we call that democracy ? The people of Connecticut are asking you, our legislators, to address our demands. We want to elect our president in the same way that we elect you . Please help us make our votes matter. Please support the NPV!
Respectfully,

Stephanie D'Alton Barrett
