

Dear Co-chairs Fox, Flexer and McLachlan and distinguished members of the GAE Committee:

My name is Analis Quintman and I live in Hamden, CT.
I am writing to you in support of proposed House Bill No. 5421, An Act Adopting The Interstate Compact To Elect The President By National Popular Vote.

I am tired of no one caring how CT votes in National Elections. I am tired of only hearing about NH and Iowa when the Presidential election comes around every four years. Every vote in this state is important, and this bill would make every CT resident feel that their vote counts. The National Popular Vote compact would do that.

Help CT lead and vote yes on H.B. 5421.

Thank you!
Analis Quintman
Hamden, CT
