Subject: In Support of House Bill 5036

I am writing in support of House Bill # 5036, which would bring Connecticut into line with the beer purchasing laws of Massachusetts for offsite consumption.

HOUSE BILL No. 5036 will

1. Remove the prohibition on the serving of mixed drinks at craft distilleries
2. Remove the liter limit for off-site consumption for breweries, bringing CT in line with Massachusetts.
3. Allow holders of package store permits to fill growlers on site.

All three of these items will assist small businesses to provide quality craft beer to the public, and close the gap of existing unfair advantages provided to craft breweries in Massachusetts or liquor stores, which can sell unlimited quantities of beer to a single person.

Respectfully,
Ryan McCammon
