Subject: Marijuana

Categories: Green Category

My name is Joseph Fazzino, I am from Cromwell, CT. I am writing in regards to Marijuana laws . There are many benefits of this as medicinal use for those people with a wide range of medical issues. I am for legal marijuana use for medical purposes as well as recreational use. I hope the house can vote on growing plants for medical use and /or recreational according to laws put in place.

Thank you for your time.

Joseph Fazzino
