In regard to raised S.B. No. 487, an act concerning the legalization, taxation and regulation of the retail sale and recreational use of marijuana and concerning the production and regulation of hemp.

Co-chairs and esteemed members of the Judicial Committee, I am writing to you today to support Raised Bill 487. As a Dispensary Technician at one of our State approved medical facilities, I have seen, firsthand the myriad benefits of this plant, to those who need it, and **greatly** support wider access to this life saving plant by the general population. I urge you to add your support to this monumental legislative decision.

In summation, I fully support passing proposed bill S.B. 487. Thank you for taking the time to consider my testimony. Cordially, Jennifer Lascko, resident of Andover, Ct 06232
