(2) If the reporter finds that the purchaser has breached a condition of the approval of the certificate of need application, the office unit may, in consultation with the purchaser, the reporter and any other interested parties it deems appropriate, implement a performance improvement plan designed to remedy the conditions identified by the reporter and continue the reporting period for up to one year following a determination by the office unit that such conditions have been resolved.
(3) The purchaser shall provide funds, in an amount determined by the [office] unit not to exceed two hundred thousand dollars annually, for the hiring of the post-transfer compliance reporter.
