1 Section 1. (NEW) (*Effective from passage and applicable to taxable years*
2 *commencing on or after January 1, 2018*) (a) As used in this section and
3 section 2 of this act:

4 (1) "Partnership" has the same meaning as provided in Section
5 7701(a)(2) of the Internal Revenue Code, as defined in section 12-213 of
6 the general statutes, and regulations adopted thereunder.
7 "Partnership" includes a limited liability company that is treated as a
8 partnership for federal income tax purposes;

10 corporation for federal income tax purposes;

12 entity for federal income tax purposes;

14 corporation;

15 (5) "Member" means (A) a shareholder of an S corporation, (B) a
16 partner in (i) a general partnership, (ii) a limited partnership, or (iii) a
17 limited liability partnership, and (C) a member of a limited liability
18 company that is treated as a partnership for federal income tax
19 purposes; and

20 (6) "Commissioner" means the Commissioner of Revenue Services.

21 (b) Each affected business entity that is required to file a return
22 under the provisions of section 12-726 of the general statutes, as
23 amended by this act, shall, on or before the fifteenth day of the third
24 month following the close of each taxable year, pay to the
25 commissioner a tax in an amount equal to (1) (A) the separately and
26 nonseparately computed items, as described in Section 702(a) of the
27 Internal Revenue Code, of the affected business entity, to the extent
28 derived from or connected with sources within this state, as
29 determined under the provisions of chapter 229 of the general statutes,
30 (B) as increased or decreased by any modification described in section
31 12-701 of the general statutes, as amended by this act, that relates to an
32 item of the affected business entity's income, gain, loss or deduction, to
33 the extent derived from or connected with sources within this state, as
34 determined under the provisions of chapter 229 of the general statutes,
35 (2) multiplied by six and ninety-nine-hundredths per cent. If the
36 amount calculated under subdivision (1) of this subsection results in a
37 net loss, such net loss may be carried forward to succeeding taxable
38 years until fully used. Payment shall be made with the return that is
39 required to be filed under section 12-726 of the general statutes, as
40 amended by this act.

41 (c) If an affected business entity, the lower-tier entity, is a member of

42 another affected business entity, the upper-tier entity, the lower-tier
43 entity shall, when calculating its tax due under this section, subtract its
44 distributive share of income or add its distributive share of loss from
45 the upper-tier entity to the extent that the income or loss was derived
46 from or connected with sources within this state.

47 (d) A nonresident individual who is a member shall not be required
48 to file an income tax return under the provisions of chapter 229 of the
49 general statutes for a taxable year if, for such taxable year, the only
50 source of income derived from or connected with sources within the
51 state for such member, or the member and the member's spouse if a
52 joint federal income tax return is or shall be filed, is from one or more
53 affected business entities and such affected business entity or entities
54 file and pay the tax due under this section.

55 (e) Each affected business entity shall report to each of its members,
56 for each taxable year, such member's direct pro rata share of the tax
57 imposed under this section on such affected business entity and
58 indirect pro rata share of the tax imposed on any upper-tier entity of
59 which such affected business entity is a member.

60 (f) (1) (A) Each person that is subject to the tax under chapter 229 of
61 the general statutes and is a member shall be entitled to a credit
62 against the tax imposed under said chapter, other than the tax imposed
63 under section 12-707 of the general statutes. Such credit shall be in an
64 amount equal to such person's direct and indirect pro rata share of the
65 tax paid under this section by any affected business entity of which
66 such person is a member multiplied by ninety-three and one-
67 hundredths per cent. If the amount of the credit allowed pursuant to
68 this subdivision exceeds such person's tax liability for the tax imposed
69 under said chapter, the commissioner shall treat such excess as an
70 overpayment and, except as provided under section 12-739 or 12-742 of
71 the general statutes, shall refund the amount of such excess, without
72 interest, to such person.

73 (B) Each person that is subject to the tax under chapter 229 of the
74 general statutes and is a member shall also be entitled to a credit
75 against the tax imposed under said chapter, other than the tax imposed
76 under section 12-707 of the general statutes, for such person's direct
77 and indirect pro rata share of taxes paid to another state of the United
78 States or the District of Columbia, on income of any affected business
79 entity of which such person is a member that is derived therefrom,
80 provided the taxes paid to another state of the United States or the
81 District of Columbia results from a tax that the commissioner
82 determines is substantially similar to the tax imposed under this
83 section. Any such credit shall be calculated in the manner prescribed
84 by the commissioner, which shall be consistent with the provisions of
85 section 12-704 of the general statutes.

86 (2) Each company that is subject to the tax under chapter 208 of the
87 general statutes and is a member shall be entitled to a credit against
88 the tax imposed under said chapter. Such credit shall be in an amount
89 equal to such company's direct and indirect pro rata share of the tax
90 paid under this section by any affected business entity of which such
91 company is a member multiplied by ninety-three and one-hundredths
92 per cent. Such credit shall be applied after all other credits and shall
93 not be subject to the limits imposed under section 12-217zz of the
94 general statutes. Any credit that is not used in the income year during
95 which the affected business entity incurs the tax under this section
96 shall be carried forward to each of the succeeding income years by the
97 company until such credit is fully taken against the tax under chapter
98 208 of the general statutes.

99 (g) Upon failure of any affected business entity to pay the tax due
100 under this section within thirty days of the due date, the provisions of
101 section 12-35 of the general statutes shall apply with respect to the
102 enforcement of this section and the collection of such tax. The warrant
103 therein provided for shall be signed by the commissioner or an
104 authorized agent of the commissioner. The amount of any such tax,
105 penalty and interest shall be a lien, from the last day of the last month

106 of the taxable year next preceding the due date of such tax until
107 discharged by payment, against all real estate of the taxpayer within
108 the state, and a certificate of such lien signed by the commissioner may
109 be filed for record in the office of the clerk of any town in which such
110 real estate is situated, provided no such lien shall be effective as
111 against any bona fide purchaser or qualified encumbrancer of any
112 interest in any such property. When any tax with respect to which a
113 lien has been recorded under the provisions of this section has been
114 satisfied, the commissioner, upon request of any interested party, shall
115 issue a certificate discharging such lien, which certificate shall be
116 recorded in the same office in which the lien was recorded. Any action
117 for the foreclosure of such lien shall be brought by the Attorney
118 General in the name of the state in the superior court for the judicial
119 district in which the property subject to such lien is situated, or, if such
120 property is located in two or more judicial districts, in the superior
121 court for any one such judicial district, and the court may limit the
122 time for redemption or order the sale of such property or make such
123 other or further decree as it judges equitable.

124 (h) If any tax is not paid when due as provided in this section, there
125 shall be added to the amount of the tax interest at the rate of one per
126 cent per month or fraction thereof from the date the tax became due
127 until it is paid.

128 (i) The provisions of sections 12-723, 12-725 and 12-728 to 12-737,
129 inclusive, of the general statutes shall apply to the provisions of this
130 section in the same manner and with the same force and effect as if the
131 language of said sections had been incorporated in full into this section
132 and had expressly referred to the tax under this section, except to the
133 extent that any such provision is inconsistent with a provision of this
134 section.

135 Sec. 2. (NEW) (*Effective from passage and applicable to taxable years*
136 *commencing on or after January 1, 2018*) (a) As used in this section,
137 "required annual payment" means the lesser of (1) ninety per cent of

138 the tax under section 1 of this act that is reported on the return filed for
139 the taxable year or, if no return is filed, ninety per cent of the tax due
140 under said section, or (2) if the preceding taxable year was a taxable
141 year of twelve months and affected business entity filed a return for
142 such taxable year, one hundred per cent of the tax under section 1 of
143 this act that is reported on such return.

144 (b) (1) Each affected business entity required to pay the tax under
145 section 1 of this act shall make the required annual payment each
146 taxable year, in four required estimated tax installments on the
147 following due dates: (A) For the first required installment, the fifteenth
148 day of the fourth month of the taxable year; (B) for the second required
149 installment, the fifteenth day of the sixth month of the taxable year; (C)
150 for the third required installment, the fifteenth day of the ninth month
151 of the taxable year, and (D) for the fourth required installment, the
152 fifteenth day of the first month of the next succeeding taxable year. An
153 affected business entity may elect to pay any required installment prior
154 to the specified due date. Except as provided in subdivision (2) of this
155 subsection, the amount of each required installment shall be twenty-
156 five per cent of the required annual payment.

157 (2) (A) For any required installment, if the affected business entity
158 establishes that its annualized income installment calculated pursuant
159 to subparagraph (B) of this subdivision is less than the amount
160 determined under subsection (a) of this section, the amount of such
161 required installment shall be the annualized income installment. Any
162 reduction in a required installment resulting pursuant to this
163 subdivision shall be recaptured by increasing the amount of the next
164 required installment by the amount of such reduction and by
165 increasing subsequent required installments to the extent such
166 reduction has not previously been recaptured under this subdivision.

167 (B) The annualized income installment is the amount by which (i)
168 the amount equal to the applicable percentage, as set forth in
169 subparagraph (C) of this subdivision, multiplied by the tax under

170 section 1 of this act for the taxable year that would be due if income
171 subject to tax under said section for the months in the taxable year
172 ending before the due date of the installment was annualized, (ii)
173 exceeds the aggregate amount of any prior required installments for
174 the taxable year.

175 (C) For the purposes of subparagraph (B) of this subdivision, the
176 applicable percentages shall be as follows: (i) For the first required
177 installment, twenty-two and one-half per cent; (ii) for the second
178 required installment, forty-five per cent; (iii) for the third required
179 installment, sixty-seven and one-half per cent; and (iv) for the fourth
180 required installment, ninety per cent.

181 (c) (1) Except as otherwise provided in this section, in the case of
182 any underpayment of estimated tax by an affected business entity,
183 there shall be added to the tax under section 1 of this act an amount
184 determined by applying interest (A) at the rate of one per cent per
185 month or fraction thereof, (B) to the amount of the underpayment, (C)
186 for the period of the underpayment.

187 (2) For the purposes of subdivision (1) of this subsection, (A) the
188 amount of the underpayment is the amount by which the required
189 installment exceeds the amount, if any, of the installment paid on or
190 before the due date of the installment, and (B) the period of the
191 underpayment runs from the due date of the installment to whichever
192 date is earlier: (i) The fifteenth day of the third month of the next
193 succeeding taxable year, or (ii) with respect to any portion of the
194 underpayment, the date on which such portion is paid. Any payment
195 of estimated tax under this section shall be credited against unpaid or
196 underpaid required installments in the order in which such
197 installments are required to be paid.

198 (d) Payment of the estimated tax under this section or any required
199 installment thereof shall be considered payment on account of the tax
200 imposed under section 1 of this act for the taxable year.

201 (e) For taxable years of less than twelve months, the provisions of
202 this section shall apply in a manner consistent with the regulations
203 adopted under chapter 229 of the general statutes pertaining to such
204 taxable years.
