

To Whom It May Concern,

I am writing in support of Bill HB 5129 – An Act Establishing a *Save Our Lakes* Number Plate to combat Aquatic Invasive Species and Cyanobacteria Blooms. I live in North Guilford on Lake Quonnipaug, and I am a member of Connecticut Federation of Lakes. I support the license plate to show my concern. I see it as a way to help bring awareness of the problem that is threatening the lakes in Connecticut that we all love.

Sincerely,

Susan Klaus
