

Honorable Senator Miner, Senator Kennedy, Representative Demicco, and distinguished members of the committee;

We reach out to all of you today to ask for your support!

Please support SB 103 " AN ACT CONCERNING HYDRAULIC FRACTURING WASTE IN CT". We live in the town of Windsor, the seventh town to pass a local ordinance to ban fracking waste, in 2017. We believe this bill is an important step toward securing a safer, healthier environment for all citizens, in our state and beyond.

This bill is good for all of us, please support it and make it a reality. Thank you for your time.

Respectfully,  
Robert & Debra Bologna
