

**FOR THE ENVIRONMENT COMMITTEE
PUBLIC HEARING TESTIMONY OF RIVERS ALLIANCE OF CONNECTICUT
February 23, 2018**

***RB 104 AN ACT PROHIBITING THE USE OF RESIDENTIAL AUTOMATIC
PESTICIDE MISTING SYSTEMS***

Rivers Alliance of Connecticut is a statewide, non-profit coalition of river organizations, individuals, and businesses formed to protect Connecticut's waters by promoting sound water policies, uniting and strengthening the state's many river groups, and educating the public about the importance of water stewardship.

To: Sen. Ted Kennedy Jr., Sen. Craig Miner, Rep. Mike Demicco, Chairmen;
And Honorable Members of the Environment Committee:

Rivers Alliance strongly supports this bill. Our state waters, our wildlife, and our own bodies are loaded with too many pesticides, the ingredients of which are found in other common products including pharmaceuticals and personal care products

Thank you for your attention and for raising this important bill.
