The Environment Committee
Connecticut State Legislature

Distinguished Members of the Committee:

Do NOT report Senate Bill 427 out of your committee with a favorable vote! This would amount to a serious violation of the public trust, as enshrined in CT Statute Section 22a-15. I intend to note carefully who votes for this bill and then work with my many likeminded friends for your defeat in the next election.

Sincerely,

A handwritten signature in black ink, appearing to read "Harald M. Sandström". The signature is written in a cursive style with a long horizontal stroke at the end.
