In FY 22, the graduate assistants' health insurance contribution will increase from \$200 to \$240.

tuition, mandatory fees, and research grant revenues) not by the state's General Fund. Lastly, the provisions of the agreement remain in effect until a subsequent agreement is negotiated by the parties.

Member Overview - There are 2,150 members in the bargaining unit as of April 13, 2018. The bargaining unit is comprised of graduate assistants, including teaching assistants and research assistants, and certain other graduate students.

The Out Years

The annualized ongoing fiscal impact identified above would continue into the future subject to inflation.
