

Dear Finance Committee Testimony,

Senator we know thru our years of honest conversation back and forth we believe in the same ideals and solutions for Ct. This document aka report is a big step in the right direction. I hope you will read it in completion and support moving it forward.

I am a REALTOR on the front line of individuals, families and businesses moving in and out of Connecticut. Our industry has a unique perspective on why those decisions to move are made.

The Report of the Commission on Fiscal Stability and Economic Growth gives a roadmap for the state to take immediately to help address the crisis. The recommendations work together to solve the problem and should not be cherry-picked to only over-tax citizens and businesses without incentivizing opportunities for economic growth.

Delays in addressing the problems will only increase the debt and fiscal crisis in our state. Please Support the Report to start solving the problem now.

As always thank you for your time. AJ and I appreciate your time!

Sincerely,

Allyson Bernard
