sHB-5208

AN ACT CONCERNING MAMMOGRAMS, BREAST
ULTRASOUNDS AND MAGNETIC RESONANCE IMAGING OF
BREASTS.

AMENDMENT

LCO No.: 4900

File Copy No.: 60

House Calendar No.: 74

OFA Fiscal Note

State Impact: None

Municipal Impact:

Municipalities	Effect	FY 19 \$	FY 20 \$
Various Municipalities	STATE MANDATE - Cost	See Below	See Below

Explanation

The amendment strikes the underlying bill and its associated fiscal impact.

The amendment does not result in a fiscal impact to the state health plan as the state does not currently impose cost sharing in-network for mammograms, including tomosynthesis.

The amendment's expanded definition of mammogram, to include coverage codes for tomosynthesis will result in a cost to certain fully-insured municipal plans, to the extent the expanded coverage definition precludes municipal plans from imposing cost sharing for tomosynthesis. Pursuant to federal law cost sharing for in network

mammograms is prohibited.¹ The coverage requirements may result in increased premium costs for the municipality when they enter into new health insurance contracts after January 1, 2019. Due to federal law, municipalities with self-insured plans are exempt from state health insurance mandates. Lastly, many municipal plans may be recognized as “grandfathered”² plans under the federal Affordable Care Act (ACA). It is uncertain what the effect of this mandate will have on the grandfathered status of those municipal plans.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
