OFA Fiscal Note

No Fiscal Impact

Section 501 requires, by January 1, 2019, owners or operators of certain facilities with hazardous chemicals to update the facility's hazard mitigation plan and any applicable evacuation plan to address risks of flooding, severe weather, or sea level rise as it applies to facilities that the Department of Energy and Environmental Protection (DEEP) identifies as being in areas at high risk of these circumstances.

There is no fiscal impact, as DEEP currently has expertise to make this determination.

Section 502 of the amendment permits local and regional school districts to include climate change curriculum as part of the overall science curriculum, if they chose to do so. It requires the Department of Energy and Environmental Protection to be available to boards of education to assist on developing appropriate curriculum, which does not result in a fiscal impact as they have the expertise available to assist schools.

Section 503 convenes a working group. This has no fiscal impact as PA 17-236 prohibits transportation allowances for task force members.
